ORDER APPROVING TARIFF

This matter came before Director Deborah Taylor Tate, Director Sara Kyle, and Director Ron Jones of the Tennessee Regulatory Authority (the “TRA” or “Authority”), the voting panel assigned to this Docket, at a regularly scheduled Authority Conference held on July 26, 2004 for consideration of Tariff No. 2004-0804 filed by CenturyTel of Adamsville, Inc. (“CenturyTel”) on July 6, 2004 to remove voice mail from its General Subscriber Services Tariff (“GSST”).

Background

In an Order issued on May 5, 2003 in Docket No. 03-00230,¹ the TRA determined that voice mail is an information service rather than a telecommunications service based on a similar determination by the Federal Communications Commission.² Pursuant to that Order, CenturyTel filed Tariff No. 2004-0493, with an effective date of August 2, 2004, suggesting that voice mail need not be regulated by the TRA and removing voice mail from its GSST.

In accordance with Tenn. Code Ann. § 65-5-202, TRA Rule 1220-4-1-.03(a) requires all

rates and charges for every class of service offered in the State of Tennessee to be tariffed. Under TRA Rule 1220-1-1-.05, the TRA is permitted to waive the requirements of this rule for good cause.³

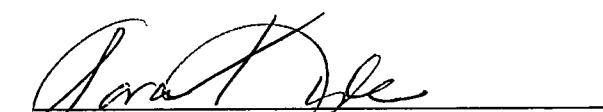

July 26, 2004 Authority Conference

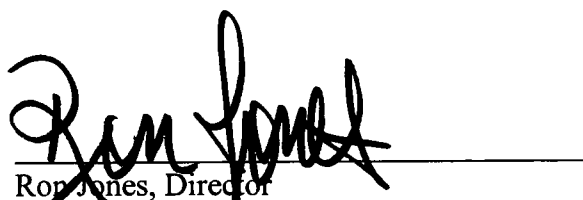

At the July 26, 2004 Authority Conference, the Panel voted unanimously to waive the tariffing requirement of TRA Rule 1220-4-1-.03(a) for good cause shown and approve CenturyTel Tariff No. 2004-0804 based on the prior determination that voice mail is an information service rather than a telecommunications service.

IT IS THEREFORE ORDERED THAT:

Tariff 2004-0804 filed by CenturyTel of Adamsville, Inc. to remove voice mail from its General Subscriber Services Tariff is approved.
